Rates

A budget will be prepared on basis of a previous discussion of the project with the Scientific Responsible of the Unit. Depending on the needs of the user and on the availability of the service, the corresponding tests may be carried out either at the Hospital de la Santa Creu I Sant Pau or at the Hospital Universitari Vall d'Hebron and, even, at both institutions. Therefore, depending on the number of institutions involved in the project, one (only one institution has participated) or two (both have participated) invoices may be issued
