

ppp-ibb@uab.cat

Scientific coordinator:

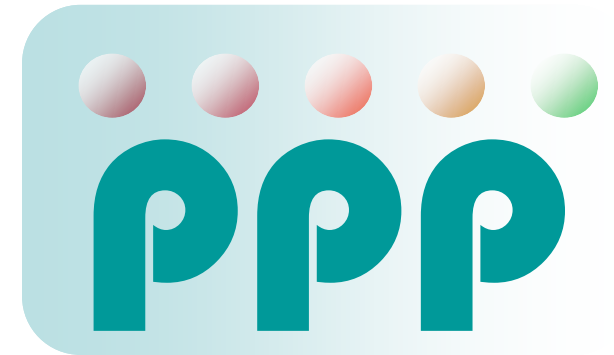

Dr. Neus Ferrer Miralles

Technical coordinator:

Dr. Merce Márquez Martínez

Laboratory Manager:

Rosa Mendoza Moreno

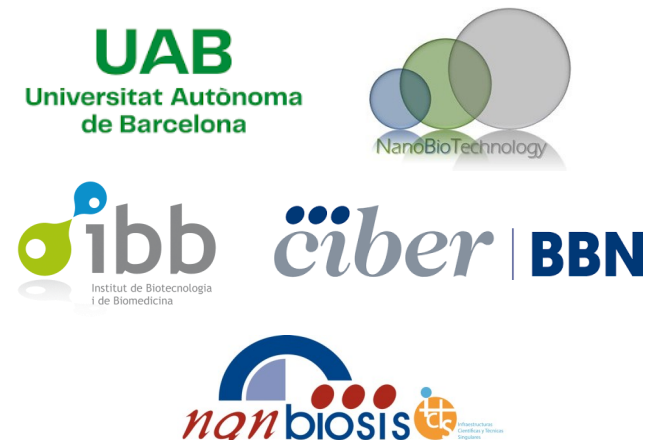

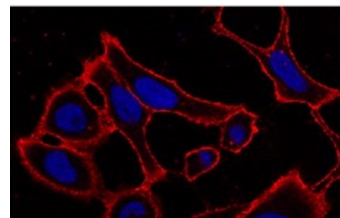

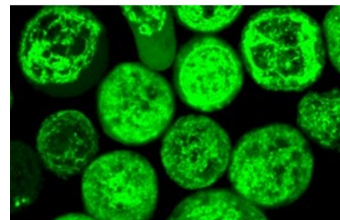

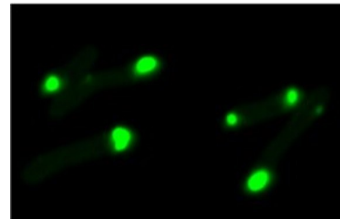

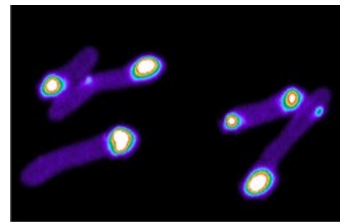

Plataforma de
producción de
proteínas

We provide **PROTEINS**
to meet your needs

Plataforma de producción de proteínas

Services:

- Molecular cloning
- Protein expression
- Protein purification
- Cryopreservation
- Consultancy and training

Expression systems:

- Escherichia coli*, *Lactococcus lactis*
- Insect cells-Baculovirus
- Mammalian cell lines

Equipment:

- FPLC AKTA Chromatography system for protein purification
- Cell culture incubators
