

## Unit 1 - Protein Production Platform (PPP)

### Rates 2026

A final quotation will be approved by the Scientific Director of the Unit on basis of the rates shown in the Table. For Further information please contact: [ppp-ibb@uab.cat](mailto:ppp-ibb@uab.cat)

Services	Products	Type of User		
		1 CIBER-UAB	2 Services, agreements, public entities & UAB environment	3 Private entities
Molecular cloning*	Recombinant vectors or expression systems	50,61	119,45	232,69
Bioproduction of proteins*	Cell extracts or pellets	69,71	162,35	318,50
Protein purification*	Purified protein	64,58	151,52	298,56
Consultancy <sup>§</sup>	Process strategy	29,13	62,83	122,49
Training Courses <sup>∫</sup>	Training on recombinant protein production processes	64,58	120,90	151,52
Criopreservation <sup>¶</sup>	Storage at -80°C	7,04	13,00	16,03
Infors*	Self-service for protein production	12,06	21,38	26,29
Self-Service ÄKTA-FPLC*	Self-Service ÄKTA-FPLC	12,65	26,00	32,21

\* Rates per hour of processing.

§ Rates per hour of study.

∫ Rates per student & hour.

¶ Rates per vial & year.

IVA not included
